

Business opportunity?

South Birmingham Sinfonia

is looking for local businesses to support charity concerts

We are a thriving community orchestra performing a wide range of music including major symphonic works and concertos with professional soloists.

What are the benefits for your business?

Promotion of your company and products to our members and concert audiences

Partnership with an exciting programme of music-making in the local community

Charitable support – your support helps cover concert expenses, so we can raise more funds for our partner charity, Birmingham St Mary's Hospice

Value for money – only £50 for a half page advert or £100 for a whole page advert in our concert programme. Plus two complimentary concert tickets and listings on our website and Facebook pages. We also welcome discussions about other marketing opportunities.
